THANKFUL

For those that do not know, our Gallery Director, Carolyn France, was in a serious auto accident in July while on her way to our Children's Summer Art Camp. Her car flipped several times and she was flown by air-med to a hospital in New Orleans. Fortunately, Carolyn escaped without serious physical injury though her body will take time to heal. We wish her a full and speedy recovery. We need you.

Gallery Corner

The Gallery needs to look its best for Art After Dark. We will schedule a day to clean or straighten up as a committee.

I want to meet with the Gallery Committee (Kathy, Emily, Jenny, Aleta, Cecile, Jeanie, Jessy, Karen K, Jere, Mickey, Terry) after our next meeting to plan a date to work in the gallery and rearrange paintings, done on a day we are closed, and before Art After Dark.

I will have a list of items I have identified. We can check it off as they are done and who did it. Our Gallery should be kept up and looking good by all of us. So if you see something that needs to be done, go ahead and do it. I heard some members were vacuuming and mopping not too long ago. I'm so Proud of you!! We ALL want a Gallery that looks good and we can be proud of.

Thank you.
Carolyn France,
Gallery Director
