Message from the President

by Michelle Eroche

With the ushering in of spring comes a fresh opportunity to get involved in an assortment of fun events and learning opportunities. Let's all take a step to enhance our horizons in painting and develop personal growth.

There are so many things in the next couple of months to do and to get involved in. Get involved. Expand your horizons. Learn something new. I'm looking forward to sharing those experiences with you: the children's art show, the spring art show, the Sandusky workshop, the duckin' out event, and numerous other events scheduled in the upcoming months. Let's go out there and have fun!
